

## Festival Regulations

1. The Angolan Festival (further called the Festival) is an event promoting the culture of Angola. The event includes dance workshops, dance parties and other alternative attractions, such as slide presentations, film presentations, food degustation, fashion shows, etc., depending on the Organizer and the Venue's organizational, technical and legal possibilities. At dance workshops, we focus on dances and original rhythms of Angola: kizomba, semba and additionally on: tarraxinha, kuduro, afrohouse and other traditional and contemporary dances from this country. The workshops will be at intermediate and advanced level. At dance parties DJs shall play music from Angola: kizomba, semba, kuduro, afrohouse, rebita, kazukuta in various proportions, with dominance of kizomba and semba.
2. AFRORITMO Michał Górka (Tax Identification Number: 513-001-19-09) as part of the AfroRitmo.pl project is the organizer of the 8th Angolan Festival.

5. After registration, the Organizer displays on the Participant's screen the confirmation of registration and the order with the current price of the selected ticket, the discounts and the bank account number to which the payment should be made together with alternative additional order. The Organizer reserves the right to correct the order if, after verification, it appears that the data provided by the Participant or the Organizer is incorrect, which may result in an additional payment by the Participant or money refund by the Organizer due to the overpayment. In case of the lack of the Participant's additional payment or the lack of response to e-mailed requests for payment or correction of data, the Organizer may cancel the Participant's application, may refuse to accept the order, to send an invoice, and finally to enter the Festival.
6. After the registration for the Festival, within 2 days, full amount stated in the order must be paid. In case of registration on the last day of registration for the Festival, pay must be done the same day with a confirmation of the money transfer sent by replying to the e-mail with the Festival's order (in the subject of the e-mail include the number of the order).

7. The Full Pass price depends on the number of people already registered for the Festival. At the time of registration, the participant receives a number on the list (at the time of registration) and the actual price of the entry, which he accepts. The organizer recommends the Participant to register only once, and in case of errors during registration (incorrect data) to report it to the Organizer via email. The Organizer is not responsible for multiple attempts to register by the Participant, especially for possible disadvantages (higher price) for the subsequent Participants. In case of one's resignation or removal of wrong registration, the number on the final list may change, which does not affect the price of an already purchased ticket - in this situation Participant cannot file a complaint.
8. If a Full Pass is purchased as part of a discount group, the Participant is asked to pay attention to the promotional code (promo code) or group name used by him/her in the form. This should be entered exactly as reported (and registered) by the group organizer regarding the symbols and the size of the letters.
